Mr. Richard Young  
First Tuesday in November

Dear Rich,

I would like to thank you and the FTIN team for another job well done. This is the third election since November 2005 we have utilized your services. In that time frame your product offerings have morphed into a complete solution that can be deployed months in advance as opposed to a one day GOTV effort. First Tuesday In November has become an indispensable part of our election strategy.

Please feel free to use me as a reference if the need arises. Once again, Thank you and continued success, we look forward to working with you in the coming months.

Sincerely,

James W. Vizthum
