Re: First Tuesday in November

Dear Rich,

I wanted to take this opportunity to thank you and your organization for your professionalism in working with us during the 2007 political campaign.

As President of the United Republican Club of Egg Harbor Township it was most encouraging to see the enthusiasm exhibited by my membership in embracing your First Tuesday in November program in all its facets. With relative ease, I was able to coordinate our District leaders, challengers and phone bank personnel to instruct them on the use of the Friends and Family list and blackberries to gain the maximum utilization of the program. Without a doubt, I believe the First Tuesday in November program not only assisted us in achieving higher voter turnout of targeted voters, but also allowed us to identify other voters for future recruitment efforts and election participation for our candidates.

As mentioned earlier conversations, I believe your program offers a superior tool which should be integrated into all our future campaigns now that the initial steps of training, identification of friendly voters, and confidence in the program has been achieved. I look forward to working with you and your organization in the future to continue our winning ways. Thank you.

Very truly yours,

*Marc Friedman*
